Worship & The Word

July 22, 2018

Welcome to Addison Congregational Church!

ACC is a non-denominational, independent church, *evangelical* in character, *reformed* in theology and *congregational* in government. We prioritize the teaching of God's Word. It is our goal to increase in our knowledge of Christ, so that we can help others come to know Him as well. We're delighted to have you with us today. Won't you return and join us on this journey of life? We have ministries and services designed for everyone who seeks to follow after God:

At ACC we're committed to following Christ through the systematic study of His Word and serving Him by loving one another. We've chosen to take a road less traveled in these days: our worship features more traditional exercises instead of contemporary practices. Our desire for this service is to abandon ourselves to Him, spirit, soul and body, and experience a personal encounter with the Spirit. Won't you release your faith this morning and expect to encounter God with us? May God bless you as you devote your attention to Him today!

"The deceit, the lie of the devil consists of this, that he wishes to make man believe that he can live without God's Word."

— Dietrich Bonhoeffer
