

ADDISON CONGREGATIONAL

Worship & The Word

October 15, 2017

Welcome to Addison Congregational Church!

ACC is a non-denominational, independent church, *evangelical* in character, *reformed* in theology and *congregational* in government. We prioritize the teaching of God's Word. It is our goal to increase in our knowledge of Christ, so that we can help others come to know Him as well. We're delighted to have you with us today. Won't you return and join us on this journey of life? We have ministries and services designed for everyone who seeks to follow after God:

At ACC we're committed to following Christ through the systematic study of His Word and serving Him by loving one another. We've chosen to take a road less traveled in these days: our worship features more traditional exercises instead of contemporary practices. Our desire for this service is to abandon ourselves to Him, spirit, soul and body, and experience a personal encounter with the Spirit. Won't you release your faith this morning and expect to encounter God with us? May God bless you as you devote your attention to Him today!

"In the silence of the heart God speaks. If you face God in prayer and silence, God will speak to you. Then you will know that you are nothing. It is only when you realize your nothingness, your emptiness, that God can fill you with Himself. Souls of prayer are souls of great silence."

— Mother Teresa
